Fit Fusion is a high-energy blend of cardio, strengthening and stretching exercises. Some movements will be done using a chair for support. Music will help you forget you're exercising! Grab a pair of light weights (dumbbells, water bottles or anything you have around the house!) and join us for this fun workout!

CHAIR YOGA

September 24 from 10:00-11:00 am

Join us for this chair yoga class featuring classical yoga postures and breath awareness. Verbal cues offered during class will help you develop better alignment and cultivate mind-body-spirit connection. The class may vary between sitting and standing exercises, and will end with a short meditation.
